MAZES & BRAIN GAMES

"Amazing Mazes was a hit with our visitors, and the staff from Minotaur Mazes were outstanding to work with. The team consistently went above and beyond. I would recommend this exhibition, and Minotaur Mazes, to anyone."

- Joe Imholte
Vice President - Visitor Experiences
Science Museum of Minnesota

*"…one of the **best** exhibits we've **ever** had!"*

- Senior Floor Faculty
COSI Columbus

*"Mazes inspires **teamwork** and problem solving ... just what our missions aims for! We saw our member families come back for **multiple visits** and the multi-generational experience that the exhibit provided appealed to all visitors."*

- Chevy Humphrey
President and CEO
Arizona Science Center

*"The **first** exhibition I have seen where **ALL ages** are engaged equally."*

- Jeannie Colton
Visitor Services Manager
Arizona Science Center

*"**TAG** teachers loved this exhibition."*

- Senior Floor Faculty
COSI Columbus

*"Mazes was a hit that our family audience **LOVED!** They wanted it to stay much longer.....This is a **highly recommended** exhibit that we would do again."*

- Nancy Chartrand
Senior Scientist of Operations
Science North

The exhibit has been wonderful. Families visited the exhibition, shared it with their friends on social media and came back for more. It was a perfect experience for audience!

- Rebecca Gilliam
Vice President - Visitor Experiences
Minnetrista

*"We saw complete strangers **collaborating** with each other... It's an exhibit that guests spread by **word-of-mouth**, and one that encourages **repeat** visits"*

- Josh Kessler
Associate Exhibition Producer
COSI Columbus

*"Our visitors **LOVED** this exhibition and it performed very well, **surpassing** our expectations."*

- Kristin Priscella
VP of External Affairs
Arizona Science Center

Goals

Explore new ways of problem-solving.

Challenge the relationship between the mind and eye.

Nurture your inner creative genius.

Spark connections across generations.

Summary

Maneuver your way through this mind boggling collection of mind-bending adventures, 3-D puzzles and full-body games - an unforgettable adventure that's sure to challenge, entertain and amaze visitors of all ages.

Overview

Look up Maze in the dictionary, and you'll find it described as a confusing network of intersecting paths or passages, a complex arrangement that causes bewilderment, confusion or perplexity. Now take that up a notch by adding two vital ingredients – fun and education – and you've arrived at Mazes & Brain Games.

Mazes winds its way over 9,000 square feet with over 80 puzzling experiences that inspire exuberant exploration and ingenuity.

Test your perceptions and laugh your way through the maze of illusions, a feast of visual trickery.

Master the many tricks around each corner and find out why illusions help us learn how our brain works.

Run a marathon with your fingers in the Finger Mazes, or become Seek & Find Master hunting creatures and toys hopelessly hidden in the Hedge Maze.

Light up your creativity by building a masterpiece of color magnetic tiles.

Give your brain and body a workout.

Solve mazes and puzzles with your hands, feet, eyes, balance and gravity.

Conquer puzzling challenges and discover new ways of problem solving around every corner.

Experience mazes of all kinds from 2-D to 3-D, fine motor to fine art, and beginner to blow your mind!

Interactives

MAGNETIC TILES AND LIGHT TABLE

Be an englighted engineer as you snap, join, stack and support your colorful creations.

MAKE-A-MAZE

Amaze yourself! Ceate your own giant maze and challenge your family and friends to solve it. This large play space gives you lots of room to plan and build.

SENIOR PUZZLE MAZE

Bridges and pathways create an intricate network of confusion! Piece together the solution that will set you on the right path.

COLORED PATH MAZE

Pick a color combo and see where it leads!
A repeating pattern is the key to your successful journey through this network of primary colors.

MARBLE MAZE

Set your marble on the move! Pivot the pathway for your marble to meander and steer clear of hazardous holes.

HISTORY OF MAZES GALLERY

Did you know that the first recorded maze in history was the Egyptian Labyrinth? Soak up everything there is to know about the true history of mazes over 6 incredible information panels.

DAVID ANSON RUSSO FINE ART GALLERY

Unlike any other art gallery you've ever been in, this one has five huge, incredible maze artworks that you can actually put your fingers on and solve.

GIANT TOWER OF HANOI

It's a mighty endeavor to create two identical towers out of this large stack of discs. Sure, Rome wasn't built in a day, but with a little effort, the Giant Tower of Hanoi can be rebuilt in just a few minutes!

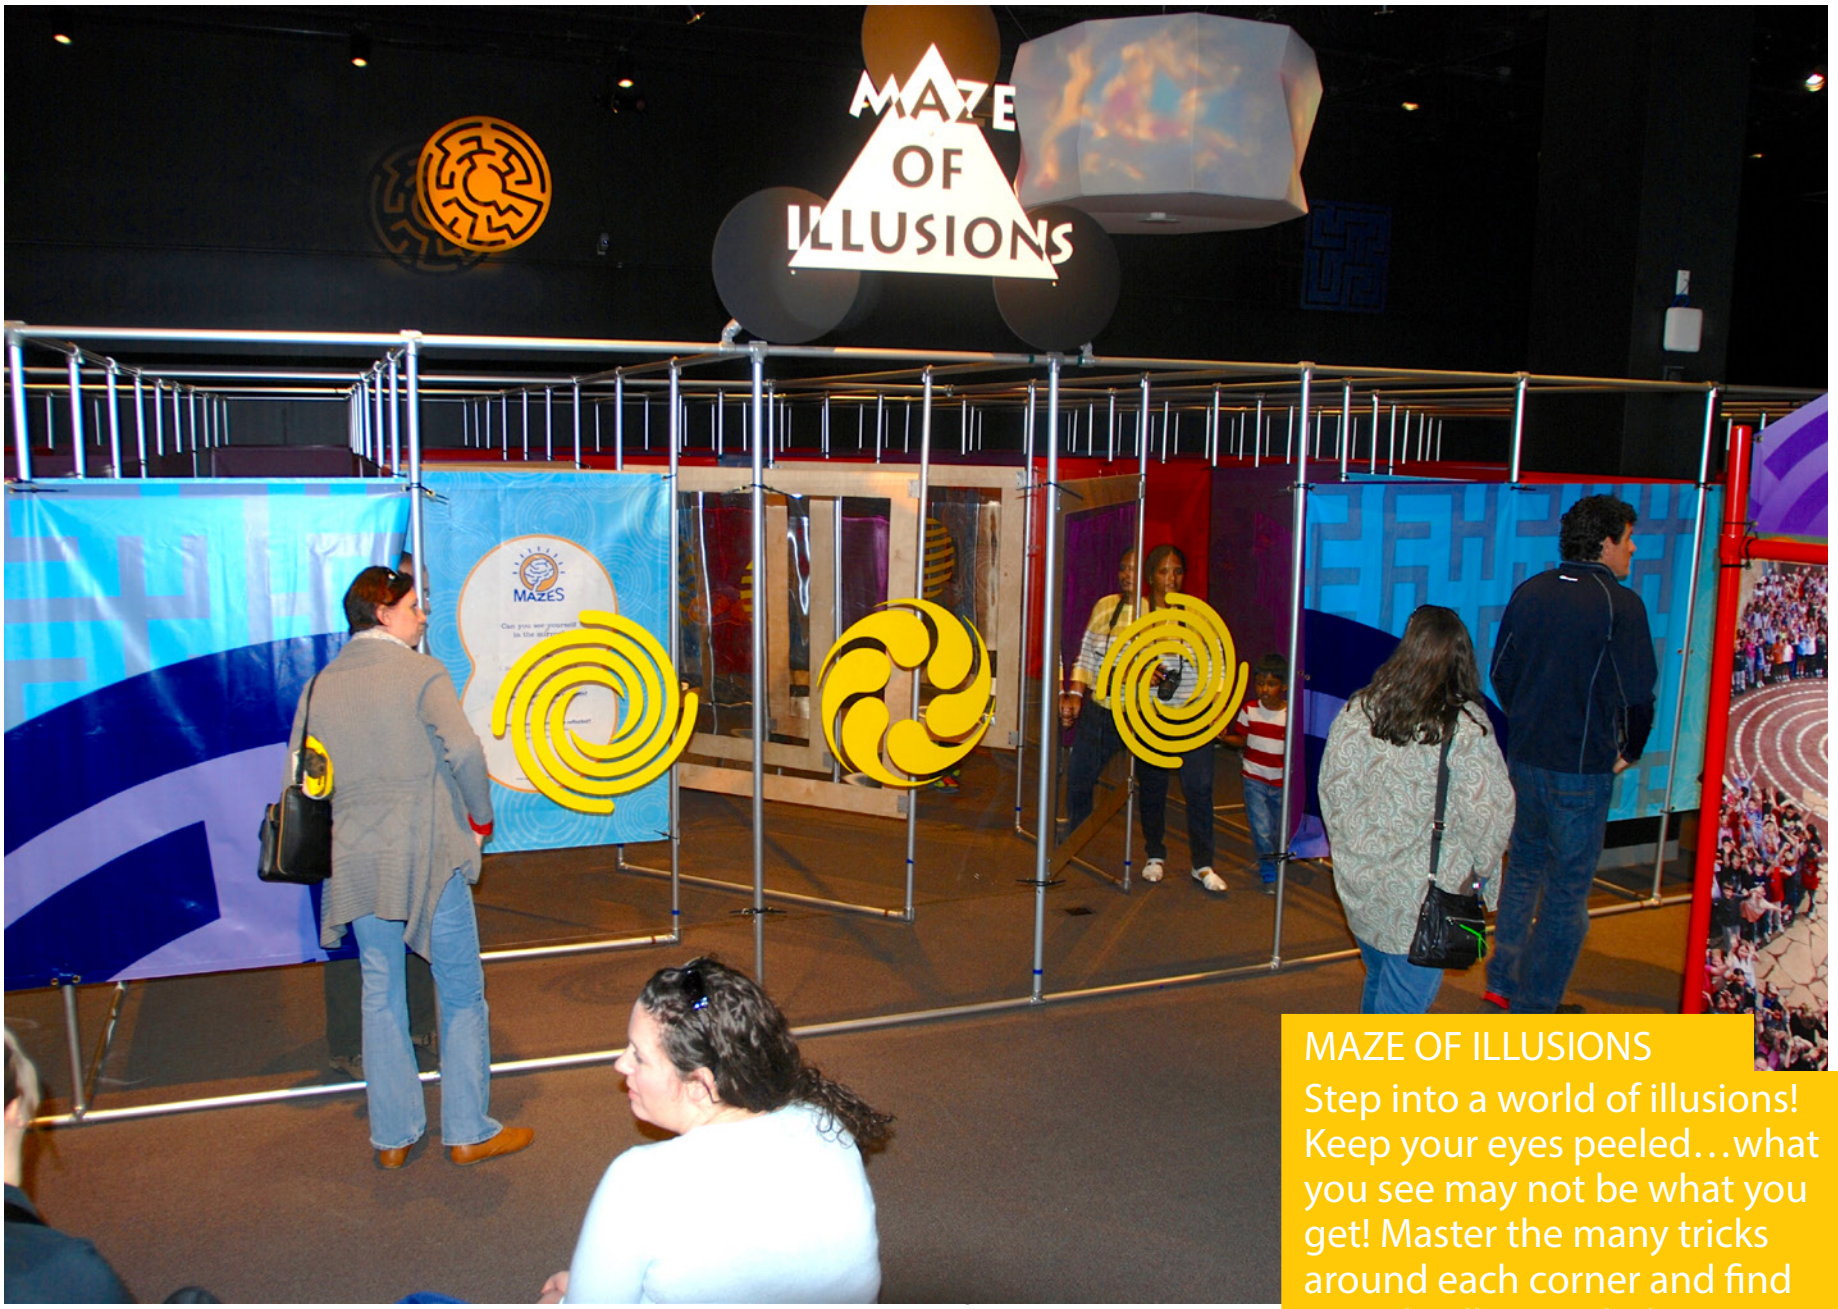

BRAIN TEASER PUZZLE TABLES

When is a puzzle not a puzzle? When it's a table! Explore tables full of puzzling, mind bending adventures.

LABYRINTHIAN LOUNGE

Whether you want calm or concentration, a comfy couch awaits you. Grab a book or a puzzle and find your focus.

MAZE OF ILLUSIONS

Step into a world of illusions! Keep your eyes peeled…what you see may not be what you get! Master the many tricks around each corner and find out why illusions help us learn how our brain works.

A MULTITUDE OF PERCEPTION CHALLENGES PACK THE MAZE OF ILLUSIONS

BIRD IN A CAGE: You've got thirty seconds to put a bird in a cage using only your eyes. With the magic of after images and negative images, you'll be able to see the invisible!

GLIMPSE OF INFINITY: How can mirrors create the illusion of infinity and suspend you into never ending space? Investigate this world of mirrors and see for yourself.

COLOR SHADOW WALL: When is a white wall not a white wall? When it's bathed in a magical rainbow of colored light! Three different colored light sources aimed at a white wall still looks white…until you stand in front of it! Your shadow transforms the wall into a rainbow of color.

OTHER INTERACTIVE INCLUDE: Read Red, Now You See It, Bumpy, Parallel, Scene It, Disappearing colors and Impossible Shapes.
