Embark on a Q&A quest to test your knowledge of floral facts. Complete role-play challenges as plants and their animal allies. Seek botanical wonders of 12 featured species hidden inside the Secret Forest. Discover the critical role plants play in ecosystem health and human innovation. Then find out how you can help conserve them.

"Mission Botanica is incredible!
a wonderful addition to the arboretum this summer!"

- Holden Arboretum

"My grandchildren were enthralled with the maze. After an hour, they still hadn't tired of the journey. What a wonderful way to combine fun and education!"

- Barbara Wood, grandmother of girls aged 4 and 7

Engaging more than 500 visitors per hour, Mission Botanica has something for everyone. Physical interactives and photo-ops add intrigue for all ages. The conservation content and Secret Forest promote personal connections with local and exotic species.
