Info

It's 1607...will you live to see 1608?

Visitors attempt to navigate the abundant yet treacherous landscape of early America in a life and death role-play adventure.

Natural Science • Colliding Cultures • Individualized Experience
Historical accuracy meets free will in this groundbreaking game-based exhibition.

"Our numbers are phenomenal"

- The Wildlife Experience, Colorado

"The first exhibit ever to truly engage all ages."

- Virginia Living Museum

"...basic game theory, history, free will, and the complexities of life and death decisions are joined to create a memorable and effective learning experience for role-playing visitors of all ages."

- ASTC Awards Committee

"You'll learn a lot, even if it kills you.

And chances are that it will."

- Minotaur creators
